

Assistance League® of Salt Lake City

Baby Bundles Policy

It is the policy of the Consociates Auxiliary of Assistance League of Salt Lake City to fund, manage and conduct the Baby Bundles program, to serve babies in need.

I. Management

- A. The Baby Bundles Assistant shall be appointed by the Consociates Second Vice Chairman/Philanthropic Programs.
- B. The program shall be in compliance with National Assistance League® Policies for Chapters and chapter policy standards.
- C. The Consociates Second Vice Chairman shall present a budget for this program to the Consociates Chairman in February.
- D. An agreement between Assistance League of Salt Lake City and each hospital/clinic served shall be signed by the designated hospital/clinic representative to allow participation in the Baby Bundles program.
- E. Informational inserts to Baby Bundles shall clearly identify Baby Bundles as “a program of Assistance League of Salt Lake City, a chapter of National Assistance League.” The wording on these inserts shall be submitted to and approved by the chapter communications Review committee. All other brochures, press releases, and the like, describing this program shall be submitted to and approved by the chapter Communications Review committee.

II. Standards

- A. Only hospitals or clinics under signed agreement shall receive Baby Bundles.
- B. Only new clothing and/or supplies shall be distributed.
- C. All distributions shall be clearly identified as a program of Assistance League of Salt Lake City, a chapter of National Assistance League.
- D. Distribution shall be made by a Consociates member, or a designee approved by the Consociates Second Vice Chairman, to hospitals and clinics per agreement.
